**Instructions:**

The Caya contoured diaphragm requires a prescription from your doctor. It is available in one size and fits most women (conventional diaphragms sizes of 65 mm to 80 mm); while a pelvic exam or traditional diaphragm fitting is not required for Caya use, if your size is unknown you should consider having your provider determine your size or test fit Caya to confirm that Caya will work for you.

1. Complete this form
2. Obtain a prescription for your physician or healthcare provider
  - They may call, fax, e-script, or e-prescribe the RX directly to the pharmacy
  - Or they may provide you with a written prescription
3. Send this form to the pharmacy by fax or mail
  - If you were given a written prescription, you **MUST** mail in both this order form and the written prescription from your physician or healthcare provider
