

DEAR PROVIDER:

Your patient has expressed an interest in Caya®

birth control you provide

HORMONE-FREE • SIMPLE • EFFECTIVE

WHAT IS CAYA?

Caya® is a soft, flexible, contoured diaphragm that covers the cervix.

Caya's unique, contoured shape was designed by women to fit the female anatomy.

Caya is one size. Easy to fit. Easy to use. Visit our website: Caya.US.com

3 WAYS TO PROVIDE CAYA TO YOUR PATIENTS

1 DISPENSE to patients directly

While you can prescribe Caya for your patients via pharmacies, the quickest and most efficient way for them to obtain it is directly from you during their appointment.

2

MAIL ORDER PHARMACY

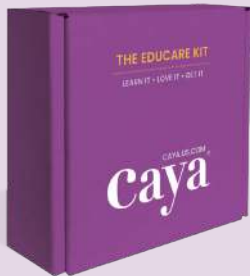

Issue a Caya Diaphragm prescription for fulfillment via mail-order pharmacy with delivery directly to your patient's home.

3

LOCAL PHARMACY

Issue a Caya Diaphragm prescription for fulfillment and pick up at your patient's local pharmacy.

EDUCARE KIT: COACHING IN ONE BOX

Our FREE Caya EduCare Kit simplifies the process of teaching your patients about Caya. Each purple box has everything you need to:

- Educate about insertion and removal
- Show how to clean and care for Caya
- Provide take-home information

For EduCare Kits, Provider Brochures, or patient education and display materials for your office, please contact us.
